

COMMITMENT LETTER

I agree to participate to the **Eco-Ambassador Program** set up by ROMAN CATHOLIC DIOCESE OF HYDERABAD DECCAN SOCIETY and SOCIAL ECOLOGY EDUCATION FUND under the following conditions:

INFORMATION

I have been duly informed in different information sessions about the objectives of this program, aiming to promote ecological awareness:

- A. Close to home in my neighborhood and/or
- B. In a future ecological campus for kids in the Krishna district,

The program managers have selected me to serve as an Eco-ambassador under the program for the first cycle September 2020 – September 2021.

I adhere to the overall mission of Social Ecology Education Fund, as available on www.social-ecology-education-fund.org and have been reading about the United Nations Sustainable Development Goals and Laudato Si.

COMMITMENTS

I am truly concerned about ecology and will promote the idea of protecting the planet and its habitants, starting close to home in my village;

As may be required by the program managers, I will also participate to the daily running of a future ecological campus for kids under supervision of a coordinating teacher. My tasks might consist of; keeping the campus clean and a fun place to stay, assisting the mothers, stressing the importance of education, assisting the coordinating teacher, animating the kids and make them aware of good behavior (“learning by playing”)

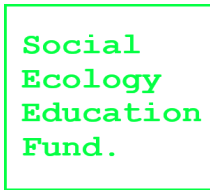

Therefore, I will

- (i) Follow strictly all information sessions organized by the program managers;
- (ii) Strictly execute the required tasks and actions;
- (iii) Provide feedback individually or in group when required.

CONSIDERTATION

In exchange for my commitment, Social Ecology Education Fund will pay me a study grant in rupees, equal to the counter-value of 365 euro, paid in two installments:

- 50% thereof will be paid through the diocese, at the start of the cycle;
- 50% thereof will be paid through the diocese, at the end of the cycle.
The second installment will however depend on my achieved results and assessed by the program managers at the end of the cycle
